Papa Roni's
Delivering Great Pizza & Premium Ice Cream!

Barberton's #1
Pizza & Ice Cream delivery

Since opening **Papa Roni's** over eleven years ago we have been dedicated to serving premium products with exceptional customer service. Doing business in the Covid-era has presented all types of businesses with many new challenges ranging from workforce shortages to supply chain and rising cost issues.

At **Papa Roni's** we have a management team with over 56 years combined experience and many other dedicated team members who have been with us for many number of years. As a small locally owned business, that vital core of veteran people has sustained us through these recent times and fortunately allowed us to fare better than many. We are certainly blessed, but we know that it takes an entire team of dozens of employees to execute our business.

We are instituting aggressive new improved wage and benefit initiatives in order to continue to attract and retain dedicated employees. At the same time we must contend with significant increases in the wholesale costs of food and paper products, rising gasoline costs, and more. Understandably, menu pricing may need to reflect these financial impacts in order for us to remain successful. As we navigate these new business challenges, please rest assured that we are taking the necessary actions to assure that we do not waiver from our dedication to providing you, our valued customers, the high product quality and excellent customer service you have come to expect from us. Thank you for your continued loyalty in making us Barberton's Best.

Sincerely,
Bob Wilson, Dan Urbancic and Tim Menser
